OUR FIRM

What is Social Purpose Consulting?

- Asset-driven approach to community development
- Demonstrating that a positive social impact is good for business and good for communities
- Working with companies, organizations, educational institutions, and individuals to support building genuine “social purpose businesses (SPBs)”
- A paradigm shift in the way business is done and initiatives/projects are approached

“OCI, in many ways, represents the best of San Antonio as business-people and as neighbors. I will always go to them first when I need help with a complex current project or need to map out a plan of attack for a new venture. They represent a bright future for the community of San Antonio. Simple stated, they are best in class.”

–Founding Partner,

OUR CLIENTS

"We are very please with the work OCI Group has done. We work with consulting companies all over the world and OCI Group has stood out as one of the best.

It was a challenging journey to keep Lyft in San Antonio, and this would not have been possible without the collaboration, innovation, and sincere passion of OCI Group."

-VP of Government Relations, Lyft

OUR AFFILIATE

OCI DEVELOPMENT

- Founded in 2020 as a Latina/o owned real estate company based in our hometown of San Antonio, TX
- We took the same commitment to social purpose business that positively impacts communities, and focused it on providing high quality housing in San Antonio, Houston, and South Texas
- We work with like-minded, community-driven partners who have led the way in this industry for generations, like Atlantic Pacific Communities, to provide high quality affordable housing
- Since 2020, we have been successful in securing several tax credit awards in San Antonio and Houston

OUR FUTURE

- It is our aspiration to become the premier Latina/o owned Government Relations + Public Affairs firm in the State of Texas
- We will continue to build and grow a coalition of like-minded, purpose-driven businesses and individuals, working together to positively shape communities across Texas and beyond.
